Description :

Prsentation de l'diteur#1 New York Times bestselling author of American Assassinson to be a major motion picture The fallout from a horrific Washington explosion has just begunand so has CIA superagent Mitch Rapps hunt for a killer with a personal agendain this explosive thriller from #1 New York Times

bestselling author Vince Flynn. In the final weeks of a fierce presidential campaign, a motorcade carrying candidate Josh Alexander is shattered by a car bomb. Soon after the attack, Alexander is carried to victory by a sympathy vote, but his assailants have not been found. When CIA director Irene Kennedy and Special Agent Skip McMahon receive damaging intelligence on Washington's most powerful players, they call on Mitch Rapp, the one man reckless enough to unravel a global network of contract killers on an explosive mission that leads back to the heart of our nation's capital and the inner sanctum of the Oval Office. From Publishers Weekly: CIA operative Mitch Rapp returns in another taut thriller. With the presidential elections close at hand, it looks a little iffy for Democratic candidates Josh Alexander and running mate Mark Ross, but when a bomb attack on their motorcade leaves Alexander's wife and numerous others dead, the sympathetic vote sweeps the two men to a bittersweet victory at the polls. At first the bombing looks to be the work of al-Qaeda, but evidence soon points to a source much closer to home. Schultz brings a comfortable presence to his reading. Having narrated several of the past Rapp adventures, he is on familiar ground, and it shows. His clear, crisp reading style fits perfectly, beat for beat, with Flynn's straightforward storytelling. His characterizations are distinct and well handled, giving Rapp just the right amount of gruffness, while at the same time providing each of the supporting characters with their own individual voices without using over-the-top accents or vocalizations. Peter Michalos's fine abridgment keeps the story moving with no apparent sacrifice of character or plot. Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. *Revue de presse* In Act of Treason, Vince Flynn shows readers the underside of political power, where mercenaries are born and thrive and betrayal is business as usual. A fast and furious page-turner from beginning to end, "thrillers do not get any better than this." -- Copley News Service
