Description :

Prsentation de l'diteurStained glass workers will welcome this book containing 104 authentic Art Nouveau patterns newly rendered by Ed Sibbett, Jr.In the typical Art Nouveau style are 104 designs in this book: florals with stem and leaf patterns; sensuous women with billowing hair, dresses, and exquisite headpieces; fish; butterflies; peacocks; Beardsley-like women in profile wearing masks; and many, many others. Some of these designs are intermediate to advanced and will be a challenge to skilled craftsmen, while others are simple enough for beginners in the field. They can be used whole or in part for windows, panels, lampshades, mirrors, frames, mobiles, or other craft projects.
