## Description :

Prsentation de l'diteurPicking up where the alien war between Kurii and the Priest-Kings left off, a young woman by the name Allison Ashton-Baker, involved in playing Gorean games on Earth, is transported to Ar to become a major witness of the unfolding events. We meet again with Lord Grendal, the result of a failed experiment to mix the genes of humans and Kurii; the Lady Bina, former pet of Agamemnon, who dreams of becoming Ubara of Ar; and Agamemnon himself, eleventh face of the Nameless One, the illustrious mastermind behind the Kurrian invasion. Packed with action, and, as usual, presented with a spicy dressing of cultural relativism and critical remarks on modernity and gender relations. Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Conspirators of Gor is

the 31st book in the Gorean Saga, but you may enjoy reading the series in any order.
