## **Description :**

Prsentation de l'diteurBeautiful and sassy Liv Preston constantly has guys falling at her feet. She knows what guys are like though, they break you, use you and spit you out, before leaving you a broken mess on the floor. Liv is far too smart to let that happen, instead, she chooses to become the ultimate female player. Handsome and arrogant Noah Travers is the ultimate catch. The star quarterback with a Greek God physique believes there are way too many girls out there for him to commit to one relationship, besides, he is too young for that, right? When Liv moves from Atlanta to live with her Dad and his new family in the tiny town of Franklin, she has no idea how much her life is about to change. From the moment Noah and Liv lay

eyes on each other, its love at first sight. Now, all that the reformed player has to do is convince his beautiful, yet broken new step-sister to believe that he is the guy for her. All Liv has to do, is trust her hot-as-hell new step-brother not to break her. Can their relationship survive secrets that have been buried for years? Can it survive the enemies that seem to lurk around every corner? Families will be tested, secrets revealed.

But, will it all be worth it for Forever Love? Newly edited version and can be read as a standalone! No cliffhanger, HEA, no cheating!
