Description :

Prsentation de l'diteurWhen she was 15, Harper Connelly was struck by a bolt of lightning, which left her with a spiderweb of red over her body, headaches, and episodes of weakness. Sometimes her right hand shakes. And she can find dead people. It's taken a while, but at last Harper's pretty happy with her life: she's making a living, using her unique talent to help people, and she's got a lover - her stepbrother Tolliver. That creeps some people out, but though they grew up together, and got each other through the real bad times - their parents' drug-use, the abuse, the disappearance of Harper's elder sister Cameron - they're not blood relatives. Then Tolliver's dad arrives on the scene, seeking forgiveness for the sins of their youth, and the police get a tip-off that after all these years, Cameron's been spotted in a mall. With all this going on Harper

realises life is getting a little complicated, but she doesn't expect those complications to include Tolliver getting shot, or watching a cop die taking a bullet for her. Harper can find dead people, but now it's clear someone wants her dead ...

Revue de presse Praise for the Harper Connelly Mystery series Charges in with plenty of plot. Entertainment Weekly [Harris] has a great gift for getting inside her characters and making them amazingly real. The Denver Post Grabs your heart and doesn't let go. Gumshoe A winning supernatural caper... Should make Harper... as popular as Sookie Stackhouse. Publishers Weekly A spooky but sweet amateur detective mystery full of interesting characters. Locus Presentation de l'auteur
