### Description :

Prsentation de l'diteurHer whole life, Alexia Garcia has been told that she looks just like rock star Kari Kingsley. But being a famous person's doppelganger hasn't turned out to be the teen fantasy you'd expect.

People look at Alexia like she must be as ditzy as her counterpart. One day when Alexia's photo filters through the Internet, she's offered a job as Kari's double. This would seem like the opportunity of a lifetime-- or at least a way to make some fast cash--but Alexia's mother has always warned her against celebrities.

They can't be trusted. They'll use her.Alexia can't resist the siren call of fame. Who could say no to Hollywood, hot guys, and . . . um, did we mention hot guys already? She flies off to L.A. and gets immersed in a celebrity life. Not only does she have to get used to getting anything she wants, she also romances the hottest lead singer on the charts and finds out that her own father is a singing legend. Through it all, Alexia

must stay true to herself, which is hard to do when you are pretending to be somebody else! This Prince and the Pauper retelling is teen comedy at its best. Publishers Weekly has called Janette's YA contemporary romances "Hilarious." Presentation de l'diteur Her whole life, Alexia Garcia has been told that she looks just like rock star Kari Kingsley.
