## Description :

Prsentation de l'diteurA new translation of Simenon's gripping novel about lives transformed by deceit and the destructive power of lust.It was all real: himself, the room, Andre still lying on the ravaged bed.For Tony and Andre, there are no rules when they meet in the blue room at the Htel des Voyageurs. Their adulterous affair is intoxicating, passionate - and dangerous. Soon it turns into a nightmare from which there can be no escape. Simenon's stylish and sensual psychological thriller weaves a story of cruelty, reckless lust and relentless guilt.'A wondrous achievement, brief, inexorable, pared to, and agonisingly close to, the bone, and utterly compelling; in short, a true and luminous work of art.' John Banville'A double crime, a dark provincial scandal, and a dreadful sort of triumph . . . presented with shattering power' San Francisco
