Biographie de l'auteur I'm originally from the Portland, Maine area and lived and worked there for years before moving to Southwest Florida. My first book, Jack Canon's American Destiny: He's All In, is a Presidential Thriller, or some might say White House Mystery Thriller, packed with action and adventure. I just completed the sequel to Jack Canon's American Destiny - which is titled Love, Lust and Loyalty: Women of the White House. It's has all of the same components of the first but leans toward a Presidential Romance or White House Romance Thriller. The sequel is just as action packed, but with a bit more spice than the first, some would say it's very sensual. Anyway, both are available on now.
