and our own world from destruction, Rachel Morgan will risk everything. . . .Revue de pressePraise for The Undead Pool: A great ride in and of itself, rather than simply a buildup to the finale, which is sure to be whiz-bang. (Kirkus s (starred review))Harrison delivers some amazing major payoffs and throws new wrenches into the life of day-walking demon Rachel Morgan....Huge kudos, as Harrison really nails this one! (RT Book s (top pick))Theres a general sensation of closure and imminent climax as Harrison maneuvers toward the end, and patient readers are promised a substantial payoff. (Publishers Weekly)Readers who have followed this series will be overjoyed to have Trent and Rachel finally deal with their complicated history and chemistry. (Library Journal)The world-building is complex and solid....and the cast of characters is immensely engaging. The Undead Pool doesnt disappoint.
