Description : Description du produitIn Medalon, Book One of the Hythrun Chronicles, Tarja Tenragen and his half-sister R'shiel were forced to lead a rebellion against their power hungry mother, who ruled Medalon as the First Sister of the Blade. But their mother's defeat came at great cost: not only does it leave Medalon vulnerable to invasion, R'shiel is mortally wounded.As **Treason Keep** begins, R'shiel is on the brink of death. Her only hope is the healing powers of the Harshini--magical beings long thought extinct. Even they will be

hard-pressed to save the Demon Child of prophecy . . . On Medalon's northern border, Tarja and the Defenders are far too few to stand against the invaders from Karien, even with the new fortifications built onto Treason Keep. The only thing that can save them is an alliance with Hythria, with whom the Medalon have been skirmishing for generations. But can Tarja trust Damin Wolfblade, warlord and heir to the throne of Hythria, with whom Tarja has personally crossed blades upon the field of battle? Meanwhile, King Hablet of Fardohnya weds his eldest daughter, the stunningly beautiful but shrewish Princess Adrina, to the Karien Heir. Hablet hopes to place his grandchild on the Karien throne. But the wayward and rebellious Adrina has her own plans, and the fate of three nations dangle upon her insolent whim. Featuring a heady blend of political intrigue, war, and one of the great love-hate relationships in fantasy fiction, Treason Keep is sure to please the many fans of epic fantasy.

Prsentation de l'diteur According to legend, the last king of the Harshini sired a half-human child, known as the Demon Child, born to destroy a god . . . BestFantasyBooks.com lists the first book of the Demon Child Trilogy Medalon in the world's top 30 best political fantasy books along with New York Times Best Seller, Game of Thrones Don't miss the next exciting installment! Treason Keep is the second book in the epic Demon Child trilogy, part of the 10 adventure-filled, action-packed books of the Hythrun Chronicles, from international bestselling author, Jennifer Fallon. With the epic scope of the Hobbit and Lord of the Rings, the humor of David Eddings in his heyday, the drama of Diana Gabaldon and the action, epic worldbuilding and political scheming of George R R Martin, and you'll have some idea of the fabulous worlds and the intriguing characters awaiting you in the Demon Child Trilogy. R'shiel is on the brink of death, her destiny unfulfilled. To save her, the renegade Harshini Brak reluctantly makes a terrible bargain, as survival of the hidden Harshini race hangs in the balance. Political turmoil spreads across Medalon and its neighbouring countries as the gods vie for power, using humans as pawns in a deadly battle for supremacy. On Medalon's northern border, Tarja and the Defenders are far too few to stand against the invaders from Karien. The only thing that can save them is an alliance with Hythria. But can Tarja trust his former enemy, Damin Wolfblade, warlord and heir to the throne of Hythria? Meanwhile, King Hablet of Fardohnya weds his eldest daughter, Princess Adrina, to the Karien Heir. Hoping to place his grandchild on the Karien throne. But the wayward and rebellious Adrina has her own plans, and the fate of three nations dangle upon her whim. To avert bloodshed on a massive scale, three warring kingdoms must unite to diffuse the threat of Karien, a nation led by possessed priests and fanatics. Only the demon child - half human and half Harshini - has the power to compel obedience, but will she master her new talents in time to stop a divine war ... Featuring a heady blend of political intrigue, war, and one of the great love-hate relationships in fantasy fiction, Treason Keep is sure to please the many fans of epic fantasy. This is next exciting installment in the adventures of Tarja and R'shiel's epic coming-of-age journey of action, romance, wonder and discovery. This book also sees the welcome return of Damin Wolfblade and the troublemaking Princess Adrina of Fardohnya, who will complicate all their lives more than they can imagine. Keywords: epic fantasy, epic fantasy trilogy, elves, magic, wizard, d Booklist The suspense of Medalon [BKL My 15 04], book one of the Hythrun Chronicles, continues in this spirited sequel. Treachery and political intrigue are rampant, and all-out war looms as the High Prince of Karien prepares to invade Medalon under the direction of the god Xaphista. R'shiel, the demon child created by the gods to slay Xaphista, was fatally wounded in Medalon; healed by Cheltaran, the god of healing, R'shiel is now recovering under the ministrations of the Harshini, a people legendary for magic. Medalon's only chance for thwarting the invaders lies in allying with the Hythruns and their storied warlord. Meanwhile, the gods are still blithely interfering in human affairs. Emerging from the Harshini sanctuary, R'shiel finds herself at the center of events, even though she is still learning her powers. Fallon maintains her carefully crafted world and her multifaceted characterizations in a quite complex story that, leavened by romance and some comic relief, flows smoothly. All of its threads fall into place, making this a sequel sure to please fans. Sally
