Description :

Prsentation de l'diteurHigh school is different for everyone. For some, its a time to shine, and for others, a time to survive. Then there are the students who attend those special schools for the gifted. But what if there was a school that catered to those rarest of studentsthose who can do magic?These fourteen tales explore the challenges that students of the magical arts may face in a high school of their very own. If you think chemistry is tough, try alchemy. If you ever fell victim to a school bully, how would you deal with a bully gifted with powerful magic?And if you needed more time to study, what spell could give you all the time you desired? These are just a few of the magical adventures that will await you when you enter Salem
